

Amendment #2

To the eCityGov Regional Permit System RFP #09-003: Notification of Extension

1. **Proposal Due Date Extended One Day:** We agreed to extend the Proposal Due Date by one business day. The new Due Date is: Noon, **Monday November 16, 2009**. This was due to the request of an out-of-state vendor who was concerned that the Veteran's Day holiday might jeopardize the reliability of the couriers being able to meet their delivery deadlines later that week.
